0.5-1.0M
Test Distance

0.75M
Optimal Test Distance

Face temperature
Face controller

Product Show	Model No.			Chief Function	Specification
	FCT			◆Face Recognition、 Face Capture、Face Comparison ◆Temperature Detection ◆Fever Warning, Mask Detection ◆Support data output and Management: complete face capture、recognition、temperature records ◆More Secure: Non-contact forehead temperature detection to prevent cross-infection ◆High Precision: temperature detection distance 0.5-1M,0.75M is best, temperature error range ±0.3℃ ◆More Efficient: face recognition distance: 0.5-2.2M Recognition Speed/Accuracy: 200ms, 99.5% ◆Face database 30,000pcs,support date import and output ◆Aircraft-grade aluminum and 7 inch ISP LCD screen 1024*600 ◆Easy-operation to connect to gate machine ◆Installation site: school, community, company, office building, super market, station etc. ◆ Wall Bracket is optional	Dual Camera: 1xVideo,1xLiving detection 2MP SONY Sensor, 1080p@30fps Operating system: Linux AI processor:MX3520, DDR3 512MB, EMMC8GB LED Light: Infrared Light, White Light Interface: RS485, RS232, RJ45, Relay output, Reset key Rated voltage: dc 12V input Panel size: 219x111x21.5mm Stand size: 33x189mm Weight: 2.3Kgs 55*42*42CM 6PCS/CTN
	FC			◆Face Recognition、 Face Capture、Face Comparison ◆Support data output for checking: complete face capture、recognition、temperature records ◆More Efficient: face recognition distance: 0.5-2.2M Recognition Speed/Accuracy: 200ms, 99.5% ◆Face database 30,000pcs,support date import and output ◆Aircraft-grade aluminum and 7inch ISP screen 1024*600 ◆Easy-operation to connect to gate machine ◆Installation site: school, community, company, office building, super market, station etc. ◆ Wall Bracket is optional	Dual Camera: 1xVideo,1xLiving detection 2MP SONY Sensor, 1080p@30fps Operating system: Linux AI processor:MX3520, DDR3 512MB, EMMC8GB White LED Light Interface: RS485, RS232, RJ45, Relay output, Reset key Rated voltage: dc 12V input Panel size: 219x111x21.5mm Stand size: 33x189mm Weight: 2.3Kgs 55*42*42CM 6PCS/CTN

Bracket Product Show	Model No.	1-99pcs USD/SET	ChiefFunction	Specification
	A003		Table bracket	2xUSB: 1x LED light 1xnetwork cable, 1x12V DC Stand size: 283(L)x260(W)x38(H)mm Weight: 1.5Kgs
	A060		Floor Pole bracket , 60CM	2xUSB: 1x LED light 1xnetwork cable, 1x12V DC Stand size: 283(L)x260(W)x600(H)mm Weight: 5Kgs
	A110		Floor Pole bracket,110CM	2xUSB: 1x LED light 1xnetwork cable, 1x12V DC Stand size: 283(L)x260(W)x1100(H)mm Weight: 10Kgs
